

WE CARE FOR YOUR HEALTH AND SAFETY

In order to ensure that all guests and employees alike are in a safe environment, we raised our existing sanitary measures. Our teams closely follow recommendations put forward by the authorities in order to minimize all risk related to Covid-19 transmission.

- The Auberge Handfield is situated in Montérégie, which is classified a RED ZONE.
- The following activities are temporarily closed: accomodation, restauration and the sugar shack.
- The health center Relax-O-Spa is open and offers a variety of treatments upon reservation.
- All employees ensure your safety through different procedures such as: Wearing a mask or a plastic visor, working behind plastic partitions, regularly washing their hands and keeping a safe distance from customers and other employees.
- Hand sanitary lotion dispensers are located at the entrance of each building, in public washrooms and in all public areas including restaurants and health center.
- All public areas are cleaned several times per day and required sanitary practices are posted throughout the estate.
- All cleaning processes are strictly adhered to in accordance to the local regulations.
